Vision & Goals

We know that Communication is the imparting or exchanging of information or news. The Good News is what we are trying to share... bottom line. Whether it is through the spoken word, or song, and images we take pride in making those lasting impressions that sow the seed of faith.

Romans 10:17

So faith comes from hearing, and hearing by the word of Christ.

Ephesians 1:18

I pray that the eyes of your heart may be enlightened, so that you will know what is the hope of His calling, what are the riches of the glory of His.

Our Goal

Knowing that the word says that faith comes from hearing we are tasked with helping to deliver the spoken word and song – the two of the most important tools for a church service. It is our goal as a communication team to provide sound that is clean and distraction free to the listener. The goal of the church Communications and Media Ministry team is to provide services that is worthy of the worship of Jesus Christ.
